

# Medicine Cabinet Makeover

## Safer, Cheaper, & More Effective

SPACE can be a precious commodity in a home,

and the medicine cabinet is no exception. Between beauty products and a vast array of over-the-counter drugs available, it can be a challenge deciding what stays and what goes. The solution is simpler than you might think. dōTERRA offers a large selection of natural wellness products for a customizable health and beauty routine that's right for you. Our CPTG certified Pure Therapeutic Grade® products contain only the purest ingredients (see pages 6-7), and our packaging is simple for a clean and clutter-free appeal.

So go ahead, and give that medicine cabinet a much-needed makeover!
